TERMS AND CONDITIONS:

12-month commitment required. Early termination will result in billing for discounts received.

In order to ensure trouble-free operation of eligible material, we must thoroughly assess your home's entire electrical system annually.

Any eligible material that fails to perform as designed will be repaired or replaced at no additional charge as long as your Absolute Family Plan is in good standing. Failure of fixtures through abuse, neglect, vandalism, fire, flood, earthquake, or others trying to repair, will not be covered. The results of ordinary wear and tear, such as scratches or finish blemishes, will not constitute cause for replacement.

Installations must comply with all local codes. Other conditions may be required for eligibility as determined by our technician. Maintenance or alteration of eligible material by anyone other than our company will void warranty.
